Commercial Information**SURFACE PREPARATION INNOVATION****Version Date:** January 2011**Title:** Air Filter Cartridges**AIR FILTER CARTRIDGES****Multi Fit**

The AFC-C100 and AFC-B100 air filter cartridges will multi fit onto many brands of air filter units available on the markets. AFC-C100 fits into Clemco and AFC-B100 fits into Bullard air filters

Increased filter life

Both air filter cartridges can offer increased filter life with the use of quality filtration materials. Greater material surface area provides increased absorption of oils, water and odours. The natural fibre felt swabs very efficiently absorbs oil from the air stream allowing the compressed air to flow through to the further stages of moisture and odour removal.

Quality materials

The highest quality filtration materials which are manufactured to exacting standards have been chosen for the above air filter cartridges to ensure the most efficient and effective filtration.

No corrosion

The AFC-C100 and AFC-B100 air filter cartridges are injection-moulded polypropylene which will not corrode or collapse like tin alternatives.

SURFACE PREPARATION INNOVATION

Portable/Stationary Abrasive Blast Equipment - Nozzles - Nozzle Holders - Hoses - Couplings - Lighting
Wetblast Equipment - High Pressure Waterjetting - Personal Protection - Blast Cabinets - Dehumidifiers
Blastrooms Vacuum Blast/Recovery Equipment - Portable/Stationary Wheelblast Equipment
Pipe Cleaning/Coating - Air Treatment - Mobile Dust Collectors - Media - Paintspray Equipment
Plural Component - Measuring Instruments
